

Thursday Evening Event

October 27, 2011

5:30 PM to 9:30 PM

Our Thursday Night Event will provide a great evening, starting with a delicious meal at Seasons Rotisserie & Grill (<http://seasonsabq.com/concept.php>), where they have provided us with our own menu which includes a delicious vegetarian entrée. For those who are interested, following dinner you can enjoy a private Ghost Tour of Albuquerque's Historic Old Town (<http://www.toursofoldtown.com/GhostTour.php>).

Seasons Rotisserie & Grill provides a consistently high standard of great food in a relaxed environment. With a culinary style firmly rooted in the American classics, the food at Seasons is more about taste and less about changing restaurant trends. Combined with a casually elegant dining room that buzzes with the excitement of an open exhibition kitchen, Seasons creates a truly memorable dining experience.

GHOST TOURS OF OLD TOWN

The walking Ghost Tour explores the legends, folklore, ghost stories and history of Albuquerque's Historic Old Town. Founded in 1706, over its long history the city has reportedly played host to the likes of such Old West personalities as Wyatt Earp, Doc Holliday and Billy the Kid and even was the setting for a Civil War battle. With over three hundred years of death and murder, the city has more than its fair share of ghostly legends and folklore. A lantern-wielding guide enralls guests with these haunted tales during the 90-minute walking tour of Old Town.
